OUR 10 RULES

THE REVOLUTIONARIES · BUILD ROOM

1 **Respect the tools.**
They're shared — handle them like they matter.

2 **Respect the library.**
No writing, no coloring, no torn pages.

3 **Speak with kindness.**
No put-downs. Build people up, not down.

4 **Clean up after yourself.**
Leave the room better than you found it.

5 **Own your actions — hold your team accountable, too.**
With respect, not attitude.

6 **Show up on time, in uniform, ready.**
The team depends on you being prepared.

7 **Keep a positive mindset.**
Mistakes are part of building — stay encouraged.

8 **Be curious. Be innovative.**
Ask questions. Try new ideas. Try again.

9 **Work as a team.**
Everyone builds. No one just watches.

10 **Have fun.**
This is hard work — it's supposed to be enjoyable too.
