THE REVOLUTIONARIES

Parent Consent & Code of Conduct Agreement

This program asks a lot of your child — and it asks something of you too. Please read each item below carefully, initial that you understand it, and sign at the bottom. Nothing here is meant to surprise you; we would simply rather be clear now than misunderstood later.

Permission to Participate

INITIAL

I give my child permission to take part in all Revolutionaries programming, including reading and literacy activities, coding and technology instruction, and competitive robotics — including practices, builds, and FIRST LEGO League events.

Attendance Is a Commitment, Not a Suggestion

INITIAL

This is a team, and a team only works when everyone shows up. I understand that consistent attendance at every scheduled practice and build session is required, that my child is expected to arrive on time and in uniform, and that I am responsible for making sure my child is present. I understand that my child's absence does not only affect my child — it affects the entire team's progress.

This Is Not a Daycare

INITIAL

The Revolutionaries is a structured learning and competition program, not a licensed childcare service. I understand that I am responsible for my child before and after every session, for prompt drop-off and pick-up, and for my child's whereabouts and safety outside of scheduled instruction time.

Code of Conduct — Zero Tolerance

INITIAL

This program is a learning opportunity built on respect, teamwork, and discipline. Poor behavior, poor sportsmanship, and rude or vulgar language will not be tolerated. **Bullying of any kind is zero tolerance. Fighting of any kind is zero tolerance.** I understand that a violation of this policy may result in my child's removal from the program, and that the coaches and organization will not be held responsible for the consequences of a student's misconduct.

Assumption of Risk

INITIAL

Robotics is hands-on. It involves small parts, tools, and shared workspaces, and carries an ordinary risk of minor injury. I understand this risk and give my permission for my child to participate fully in all building and competition activities.
